RETURN RECEIPT REQUESTED

JOHN HOLFERT  
997 N CHAPEL DRIVE # 4  
BOUNTIFUL UT 84010

Dear Mr. Holfert:

This letter is in regards to your mining operation located in the SE $\frac{1}{4}$  of Section 12, T. 13 S., R. 12 W., Juab County Ut.

As you are aware, you have established a Record of Noncompliance (RON) with the Bureau of Land Management (BLM), concerning this operation, and with that RON, to continue mining at this site, you must have an approved Plan of Operations (POO), and post a surety bond or personal bond in the amount of \$1,000.00 with the Mining Law Adjudication, Utah State Office, BLM.

On October 16, 1998, a letter was sent to you informing you that your POO was approved, it also stated that there should be no further mining activity until said bond is in place. On October 30, 1998, a letter was sent to you from the aforementioned office requesting said bond. That letter also contained the appropriate bond forms/information needed to post said bond.

At this time, our records indicate you have not posted said bond with the above mentioned office. Keep in mind, the Duration of your RON is three (3) years, but that duration does not begin until you have an approved POO and the required bond in place.

**RECEIVED**

SEP 24 2001

DIVISION OF  
OIL GAS AND MINING

Until your bond, in the amount of \$1,000.00, is correctly in place with the Mining Law Adjudication, Utah State Office, BLM, the duration of your RON will not start, and you are not to conduct any further surface disturbing activities at the above mentioned location. To do so will put you in noncompliance with 43 CFR § 3715.5(b), and may be subject to enforcement actions contained in 43 CFR § 3715.7-1.

If you have any questions, please feel free to contact Larry Garahana at (435)743-3126.

Sincerely,

A handwritten signature in cursive script that reads "Rex Rowley".
